Metrohm Service Agreement

Your peace of mind solution with maximum flexibility!

METROHM SERVICE AGREEMENT PLUS

- PLUS ECO - Workshop Base Maintenance

The Metrohm Service Agreement Plus includes the following core elements:

	Scope
1 PM visit per year	Inspection, functional cleaning, status assessment, replacement of wearing parts, testing, calibration, and functional check
Pre-scheduled PM visit	Pre-scheduled maintenance service visit within a guaranteed time window
Priority service	Priority treatment over MSA Standard customers
Reduced service rates*	Discount on unplanned service interventions
PM Kit	Recommended, pre-defined essential wear parts
Discount on spare parts*	Reduced cost of spare parts for corrective maintenance
Burette Calibration	Certified checking of the accuracy and precision of burettes
Guaranteed response time**	Within 24 business hours (via media, e.g., telephone, mail, ...)
2 repairs per year included	2 corrective maintenance visit per year included
Documentation	Calibration Certificates documentation included

OPTIONAL MODULES

Maximise the value of your Metrohm Service Agreement by adding the optional modules that are important to you.

	Scope
Additional PM visits	Additional PM visits as needed
Documentation upgrade	Upgrade to GxP documentation
Additional PM Kits	Recommended, pre-defined essential wear parts to be included with the additional PM visits
Extended warranty*** (up to 5 years)	All corrective maintenance related costs (parts, repair visits) are covered

* For exact conditions, please contact your local Metrohm representative.

** The definition of such response times depends on local specifics and capabilities. Please contact your local Metrohm representative.

*** Only applicable on new system sales.

When it comes to service and maintenance, there is no one-size-fits-all solution. With your Metrohm Service Agreement you benefit from robust premium protection – and you can choose from numerous options and add-on services to customise a solution that meets your individual requirements.

Benefit not only from an annual pre-scheduled preventive maintenance (PM) visit but an additional two free repairs per year. On top of this you can select whichever options and add-on services are right and important for your laboratory.

Save on Metrohm Service Agreement Plus by taking advantage of the Eco option, a workshop base maintenance.

YOUR BENEFITS

- Reliable protection against system failure & downtime
- Maximum system availability and high-quality results
- Reduced daily/hourly rates in case of unplanned service interventions
- Fast restoration of your system with minimal disruption of your daily operation
- Numerous options and add-on services to customize your personal solution
- 5 year extended warranty available with Metrohm Service Agreement

ADD-ON SERVICES****

Combine your Metrohm Service Agreement with our add-on services and benefit from attractive discounts and conditions.

	Scope
Software Care	Data maintenance, data backup, archiving
Remote Support	Support using PC to PC remote tools
Electrode Care	Electrode test, documentation, and performance assessment
Application Support	Start-up method development, troubleshooting advice, method optimization
Training	Various training programs
Performance Verification	Standardised wet-chemical test procedures; statistical evaluation
System Requalification	Frequent system retesting and calibration, e.g., as an extension to an initial IQ/OQ
**** Availability and conditions depend on local availability. Please contact your local Metrohm representative.
