Metrohm Service Agreement

Customise your personal service and preventive maintenance solution!

METROHM SERVICE AGREEMENT STANDARD

- **STANDARD STARTER** - Introductory Discount*

- **STANDARD ECO** - Workshop Base Maintenance

The Metrohm Service Agreement Standard includes the following core elements:

Standard	Scope
1 PM visit per year	Inspection, functional cleaning, status assessment, replacement of wearing parts, testing, calibration, and functional check
Pre-scheduled PM visit	Pre-scheduled maintenance service visit within a guaranteed time window
Priority service	Priority treatment over non-agreement customers
Reduced service rates*	Discount on unplanned service interventions
PM Kit	Recommended, pre-defined essential wear parts
Discount on spare parts*	Reduced cost of spare parts for corrective maintenance
Burette Calibration	Certified checking of the accuracy and precision of burettes
Guaranteed response time**	Within 48 business hours (via media, e.g., telephone, mail, ...)
Documentation	Calibration Certificates documentation included

OPTIONAL MODULES

Choose from our optional modules to customise your personal service and maintenance solution that meets the requirements of your laboratory.

	Scope
1 repair per year included	1 corrective maintenance visit per year included
Additional PM visits	Additional PM visits as needed
Documentation upgrade I	Upgrade to Calibration Certificates
Documentation upgrade II	Upgrade to GxP documentation
Extended warranty*** (up to 5 years)	All corrective maintenance related costs (parts, repair visits) are covered
* For exact conditions, please contact your local Metrohm representative.	
** The definition of such response times depends on local specifics and capabilities. Please contact your local Metrohm representative.	
*** Only applicable on new system sales.	

When it comes to service and maintenance, there is no one-size-fits-all solution. With your Metrohm Service Agreement you benefit from robust basic protection – and you can choose from numerous options and add-on services to customise a solution that meets your individual requirements.

Benefit not only from an annual pre-scheduled preventive maintenance (PM) visit but also save with reduced hourly/daily rates. On top of this you can select whichever options and add-on services are right and important for your laboratory.

Save on our Standard Metrohm Service Agreement by taking advantage of our Starter and Eco options!

Starter option offers introductory discount on the first year of new agreements, and Eco offers workshop base maintenance.

YOUR BENEFITS

- Reliable protection against system failure & downtime
- Maximum system availability and high-quality results
- Reduced daily/hourly rates in case of unplanned service interventions
- Fast restoration of your system with minimal disruption of your daily operation
- Numerous options and add-on services to customize your personal solution
- 5 year extended warranty available with Metrohm Service Agreement

ADD-ON SERVICES****

Combine your Metrohm Service Agreement with our add-on services and benefit from attractive discounts and conditions.

	Scope
Software Care	Data maintenance, data backup, archiving
Remote Support	Support using PC to PC remote tools
Electrode Care	Electrode test, documentation, and performance assessment
Application Support	Start-up method development, troubleshooting advice, method optimization
Training	Various training programs
Performance Verification	Standardised wet-chemical test procedures; statistical evaluation
System Requalification	Frequent system retesting and calibration, e.g.; as an extension to an initial IQ/OQ
**** Availability and conditions depend on local availability. Please contact your local Metrohm representative.
